

**Public Health**  
Prevent. Promote. Protect.

## **WE NEED YOU!!!**

The Trego County Health Department will be administering flu shots in a Point of Dispensing Exercise again this year via a drive-thru at the Trego County Fairgrounds. We need volunteers for registration, greeters, runners, education, vaccinating, security, setup and breakdown.

The exercise/drive- thru will be held on Tuesday, October 12<sup>th</sup>, 2010 from 1:00 p.m. to 6:00 p.m. at the Trego County Fairgrounds in WaKeeney.

This is an excellent opportunity for our community to experience a mass vaccination/medication exercise/clinic in a non-emergent setting. By participating in this exercise and allowing your employees to participate, our community will gain a better understanding of how mass prophylaxis clinic would operate and what information they would to provide in the event there was a large scale public health emergency. A minimum of 50 volunteers are needed for this exercise. Volunteers are needed from 11:00 a.m. until approximately 7:00 p.m. We encourage you to volunteer, contact the Trego County Health Department at 785-743-6348, or email [tchd@ruraltel.net](mailto:tchd@ruraltel.net) or [nmattheyer@ruraltel.net](mailto:nmattheyer@ruraltel.net).

Don't forget to mark your calendars.

Thank you
