2017 KALHD Informatics Survey

Q1.1 The Kansas Association of Local Health Departments (KALHD) is working on developing a unified voice for LHDs around various data-related items. This includes assessing and addressing how departments collect, analyze and share data. With every Health Department operating differently and on different systems, we ask for your help in completing the following survey that should take no more than 10-15 minutes. Here are some key things to know about this survey:

**Results:** Survey results will be shared with LHDs through a formalized report completed by the Center for Public Health Initiatives at WSU in June, 2017. The report will be distributed to all Kansas health departments, KDHE, and other partners. The report will look to outline and assess ways the current system can move forward together to better our work. In the future, we will be looking for ways to gather this data from KDHE and the Aid To Local survey to help reduce the number of surveys.

**Question specifics:** The majority of questions are focusing on the actual “medical record” and “documentation” of the clinical and other public health services. We want to know how your work is completed. Other questions focus on the actual storing and communication of this information to required reporting systems (KSWebIZ, DAISEY, Catalyst, etc). Some items might be done through several different methods. Most questions can have multiple answers. Some questions might also seem redundant because so many departments have to handle the same program in multiple ways.

**Example:** If the situation exists where things are “normally” performed online, but in some rare occasions must be done on paper, please mark this process as being done online. Paper would only be marked if you consider this a “normal and regular practice”. Use your best judgement.

Please contact AAron Davis or Michelle Ponce if you have any questions about this survey. Thank you for your help!

AAron Davis, Center for Public Health Initiatives
316-978-5884, aaron.davis@wichita.edu

Michelle Ponce, KALHD
785-271-8391, michelle.ponce@kalhd.org

**Please complete by December 16th**

Q2.1 How do you currently collect and store Immunization records? (outside of WebIZ, unless you only store history in WebIZ). Mark all that apply.
- Paper Record
- KIPHS
- EHR
- WebIZ Only
- Other ____________________

Q3.1 Does your department have a Family Planning Program?
- Yes
- No
- It's Complicated: ____________________

Q3.2 If Yes, how do you capture & store Family Planning records?
- Paper Record
- KIPHS
- Enter Directly into DAISEY only
- EHR
- Other: ____________________

Q3.3 If Yes, how do you report Family Planning information to KDHE?
- Direct Entry into DAISEY
- Direct Entry of de-identified data into DAISEY
- Aggregate Reporting into DAISEY
- Import/Export process into DAISEY
- Other: ____________________

Q4.1 Does your department have a Maternal Child Health (MCH) Program?
- Yes
- No
- It's Complicated: ____________________

Q4.2 If Yes, how do you capture & store MCH records?
- Paper Record
- KIPHS
- Enter Directly into DAISEY only
- EHR
- Other: ____________________
Q4.3 If Yes, how do you report MCH information to KDHE?
- Direct Entry into DAISEY
- Direct Entry of de-identified data into DAISEY
- Aggregate Reporting into DAISEY
- Import/Export process into DAISEY
- Other: ____________________

Q5.1 Does your department have a Becoming a Mom (BAM) Program?
- Yes
- No
- It's Complicated: ____________________

Q5.2 If Yes, how do you capture & store BAM records?
- Paper Record
- KIPHS
- Enter Directly into DAISEY only
- EHR
- Other: ____________________

Q5.3 If Yes, how do you report BAM information to KDHE?
- Direct Entry into DAISEY
- Direct Entry of de-identified data into DAISEY
- Aggregate Reporting into DAISEY
- Import/Export process into DAISEY
- Other: ____________________

Q6.1 Does your department have a Healthy Start Home Visitor (HSHV) Program?
- Yes
- No
- It's Complicated: ____________________

Q6.2 If Yes, how do you capture & store Healthy Start Home Visitor (HSHV) records?
- Paper Record
- KIPHS
- Enter Directly into DAISEY only
- EHR
- Other: ____________________
Q6.3 If Yes, how do you report Healthy Start Home Visitor (HSHV) Information to KDHE?
- Direct Entry into DAISEY
- Direct Entry of de-identified data into DAISEY
- Aggregate Reporting into DAISEY
- Import/Export process into DAISEY
- Other: ____________________

Q7.1 Does your department have a Teen Pregnancy Targeted Case Management (TPTCM) Program?
- Yes
- No
- It's Complicated: ____________________

Q7.2 If Yes, how do you capture & store Teen Pregnancy Targeted Case Management (TPTCM) records?
- Paper Record
- KIPHS
- Enter Directly into DAISEY only
- EHR
- Other: ____________________

Q7.3 If Yes, how do you report Teen Pregnancy Targeted Case Management (TPTCM) Information to KDHE?
- Direct Entry into DAISEY
- Direct Entry of de-identified data into DAISEY
- Aggregate Reporting into DAISEY
- Import/Export process into DAISEY
- Other: ____________________

Q8.1 Does your department have a Pregnancy Maintenance Initiative (PMI) Program?
- Yes
- No
- It's Complicated: ____________________

Q8.2 If Yes, how do you capture & store Pregnancy Maintenance Initiative (PMI) records?
- Paper Record
- KIPHS
- Enter Directly into DAISEY only
- EHR
- Other: ____________________
Q8.3 If Yes, how do you report Pregnancy Maintenance Initiative (PMI) Information to KDHE?

- Direct Entry into DAISEY
- Direct Entry of de-identified data into DAISEY
- Aggregate Reporting into DAISEY
- Import/Export process into DAISEY
- Other: ____________________

Q9.1 Does your department have a Children with Special Healthcare Needs Program?

- Yes
- No
- It's Complicated: ____________________

Q9.2 If Yes, how do you capture & store Children with Special Healthcare Needs records?

- Paper Record
- KIPHS
- Enter Directly into WebBSH only
- EHR
- Other: ____________________

Q9.3 If Yes, how do you report Children with Special Healthcare Needs Information to KDHE?

- Direct Entry into WebBSH
- Import/Export into WebBSH
- Other: ____________________

Q10.1 Does your department assist with Sexually Transmitted Infection (STI) and/or HIV testing and or investigation?

- Yes
- No
- It's Complicated: ____________________

Q10.2 If Yes, how do you capture & store STI/HIV testing and investigation information?

- Paper Record
- KIPHS
- Enter Directly into EpiTrax
- EHR
- Other: ____________________
Q10.3 If Yes, how do you report STI/HIV information to KDHE (state or regional)?
- Fax
- Direct Entry into EpiTrax
- We do not submit any records to KDHE
- Other: ____________________

Q11.1 Does your department do/assist with active Tuberculosis (TB) investigations?
- Yes
- No
- It's Complicated: ____________________

Q11.2 If Yes, how do you capture & store Tuberculosis (TB) information?
- Paper Record
- KIPHS
- Enter Directly into EpiTrax
- EHR
- Other: ____________________

Q11.3 If Yes, how do you report Tuberculosis (TB) information to KDHE?
- Fax
- Direct Entry into EpiTrax
- Other: ____________________

Q12.1 Does your department have a Women, Infants & Children (WIC) Program?
- Yes
- No
- It's Complicated: ____________________

Q12.2 If Yes, how do you capture & store Women, Infants & Children (WIC) information?
- Paper Record
- KIPHS
- Enter Directly into KWIC
- EHR
- Other: ____________________

Q12.3 If Yes, how do you report Women, Infants & Children (WIC) Information to KDHE?
- Direct Entry into KWIC
- Other: ____________________

Q13.1 Does your department do Car Seat Checks?
- Yes
- No
- It's Complicated: ____________________
Q13.2 If Yes, how do you capture & store Car Seat Check information?
- Paper Record
- KIPHS
- EHR
- Other: ____________________

Q13.3 If Yes, how do you report Car Seat Check Information?
- Fax
- Email
- Postal Service
- Other: ____________________

Q14.1 There are many different Public Health Emergency Preparedness Systems active in the state, however not all LHDs are required to utilize them all. Below is a list of all known active systems. Please select all of the systems your department currently utilizes or would utilize in an emergency. If you are unfamiliar with a system, assume you are not required/expected to utilize it.
- KS Health Area Network (KS-HAN)
- EMResource: HAvBED
- EMResource: eICIS
- KS Planner / BOLD (COOP)
- Catalyst - regular submissions of requirements
- WebEOC
- Comprehensive Resource Management and Credentialing System (CRMCS)
- KS Countermeasure Response Administration (KS-CRA)
- BioSense
- Other: ____________________

Q15.1 Does your department participate in the Early Detection Works Program?
- Yes
- No
- It's Complicated: ____________________

Q15.2 If Yes, how do you capture & store Early Detection Works information?
- Paper Record
- KIPHS
- EHR
- Catalyst: Direct entry only
- Other: ____________________
Q16.1 Does your department do school inspections?
- Yes
- No
- It's Complicated: ____________________

Q16.2 If Yes, how do you capture & store information related to school inspections?
- Paper Record
- KIPHS
- EHR
- Other: ____________________

Q17.1 Does your department do childcare licensing?
- Yes
- No
- It's Complicated: ____________________

Q17.2 If Yes, how do you capture & store information related to childcare licensing?
- Paper Record
- KIPHS
- EHR
- Direct Entry in CLARIS (no other records kept)
- Other: ____________________

Q18.1 How is insurance claim information collected and tracked? (NOT asking about submission)
- KIPHS
- Paper Forms
- Excel or other office software
- PC Ace Pro32
- EHR
- TransactRX
- Only tracked in KMAP, EDIMidwest, or other online submission systems
- Other: ____________________
Q18.2 How is insurance claim information submitted? Mark all that apply as a regular and standard practice. (ignore the few cases you might have to operate outside the norm)
- KIPHS
- Paper Forms (mailed or faxed)
- PC Ace Pro32
- EHR
- TransactRX
- WPS
- Direct entry into online systems such as KMAP, EDIMidwest, or provider systems
- Other: ____________________

Q18.3 What systems do you use to regularly track financial/billing information as it relates to service fees and insurance claims?
- KIPHS
- EHR
- Quickbooks
- Excel
- Paper ledger
- County System (name if known): ____________________
- Other: ____________________

Q18.4 (if applicable) You noted that you utilize an Electronic Health Record system, what EHR system do you use?
- Insight by Netsmart
- Patagonia Health
- Nightingale Notes by Champ Software
- AthenaHealth
- Clearhealth
- Other not listed: ____________________

Q19.1 Does your department utilize the Kansas Health Information Network (KHIN) for:

<table>
<thead>
<tr>
<th>Secure messaging with providers</th>
<th>No</th>
<th>Yes</th>
<th>Do not know</th>
</tr>
</thead>
<tbody>
<tr>
<td>Data exchange (sending your data to KHIN)</td>
<td>○</td>
<td>○</td>
<td>○</td>
</tr>
<tr>
<td>Patient information look-up (through the KHIN portal)</td>
<td>○</td>
<td>○</td>
<td>○</td>
</tr>
</tbody>
</table>
Q19.2 Thinking about when you are analyzing your internal and community-wide data, what additional systems or software (if any) do you use? (SAS, GIS, etc)
____________________________________________________________________________
____________________________________________________________________________

Q19.3 In terms of Public Health Information and the systems mentioned in this survey, are there areas or software you feel your staff could utilize more training and support?
____________________________________________________________________________
____________________________________________________________________________

Q19.4 Thinking through all of these questions, it is clear that your department handles a LOT of programs and services. It also deals with multiple information systems, either as part of your internal processes or in communication with other organizations and KDHE. Can you think of any programs and/or systems we have not been addressed in this survey?
