Designees are permitted, provided they are is assigned, the designee is required to attend the ee for this quarter report:	e a staff member or a contractor e HCC meeting in person or virtua	of an LHD. In the event a lly.	1 date:
2	medica advisor	presentative will participate in a local ESF 8 or LEPC I partners in order to strengthen community preparry committee of governmental and nongovernmenta edness efforts across jurisdictions and to leverage fu	edness and response activities. Tal partners to the local health dep	he local ESF or LEPC acts as an	ESF-8 / LEPC Date attended: Attendee names and meeting notes attached
3	The LHD may send staff to regional PHEP meetings, preparedness conferences, trainings or exercises to increase knowledge, skills and abilities to develop and maintain plans, conduct training and exercises and respond to public health threats and emergencies using a whole-community approach to preparedness management. (Examples include but are not limited to: 2021 Preparedness Summit, Four Corners Emergency Management, Kansas Public Health Association.)			For in-state events: Date: Name: Number of staff attended: Name of attendees:	
		ences and out of state training events must be pre-a tions on pre-approval. Summary will include course	· ·	documents for Due by <u>June 30, 2021</u>	For out-of-state events: Each person must submit a 1-page summary no later than 15 days after the conference

Large Local Health Department Work Plan

4	 LHD administrators will ensure designated staff complete the following online training: FEMA IS-100: An Introduction to the Incident Command System (ICS) FEMA IS-200: Basic ICS FEMA IS-700: An Introduction to the National Incident Management System (NIMS) TEEX Medical Countermeasures Awareness for Public Health Emergencies course, AWR314 FEMA IS-29: Public Information Officer Awareness Due by September 30, 2020 	As administrator of the LHD, all employees in ICS positions have completed the outlined training. Signature and date.
5	 LHD will maintain health department personnel contact information in the Kansas Health Alert Network (KS-HAN) to ensure the ability of the LHD in receiving situational awareness information. LHD staff registered on KS-HAN will update their contact information annually, or sooner if need arises. Users are expected to update their own user profiles. LHD will review registrant lists to add and remove appropriate members from their organization to ensure they have access. LHD will email KDHE.KSHANAdmin@ks.gov to request changes to KS-HAN. Due by September 30, 2020 	Date of KS-HAN update:
6	LHD staff registered on KS-HAN will respond to KS-HAN drills to ensure and demonstrate the ability to receive and respond to situational awareness updates and common operating picture information, and to ensure that communications equipment is appropriately receiving health alerts and situational information. Note any issues this quarter:	Quarter 1 date: Quarter 2 date: Quarter 3 date: Quarter 4 date:
7	 LHD will ensure that a minimum of two health department surge staff or volunteers are registered users of the Inventory Management Tracking System (IMATS) by working with the KDHE Preparedness MCM/SNS Coordinator to receive access. These users must complete the training hosted on KS-TRAIN. LHD staff registered on IMATS will update their contact information annually, or when contact information changes. LHDs will review registrant lists regularly and send an email to KDHE.Preparedness@ks.gov to request addition or removal of members from their organization. New IMATS users will complete the KS-TRAIN training (Module 6 under New LHD Administrator Training). Due by September 30, 2020 	Date of IMATS update: Training class attended: Attendee names:
8	LHD can purchase equipment and supplies to maintain PHEP readiness in their counties based on their county plans, risk assessment, and AAR/IPs. Due by June 30, 2021	Date items purchased and entered CRMCS and screenshot sent to KDHE: No purchase

Large Local Health Department Work Plan

WORK PLAN PROGRESS REPORTS WILL BE SUBMITTED TO KDHE.PREPAREDNESS@KS.GOV

20	LHD administrators will ensure designated staff have risk communication training for organizing and coordinating incident-related communications within this budget period. At least one staff member will complete the FEMA G0290: Basic Public Information Officer course within this project period. Due by June 30, 2021	Name of attendee(s):
21	LHD administrators will ensure designated staff complete two trainings to address gaps/needed improvements based on the April 2020 full-scale exercise (FSE) or real-world incident when approved by KDHE, AAR/IP or jurisdictional risk assessment for the LHD.	Date IP plan sent: IP gap training 1: Date: Course name: Attendees: Date of course: Name of course: Name of attendees:
22	LHD administrators will ensure designated staff have the following training: Mental health or psychological first aid training. Due by March 31, 2021	Date of course: Name of course: Name of attendees:

The following represent administrative preparedness requirements that can be requested at any time during the project period. Please maintain all documents on-site throughout the project period (2019 - 2024):

- Document through job descriptions and employee time and attendance records that all staff members paid with preparedness funds are performing activities related to preparedness for the entire project period (2019 2024), or at least 5 years.
- Retain copies or transcripts of all certificates/proof of attendance for trainings completed during the entire project period, or at least 5 years.
- ❖ Have available signed shared resource agreements, MOU, MOA, and maintenance contracts for PHEP-related items when asked.
- LHD will provide to KDHE Preparedness information pertaining to the performance measures, benchmark requirements and/or any other requested information as related to the current Hospital Preparedness Program-Public Health Emergency Preparedness Cooperative Agreement.
- Retain copies of expenditure reports, including invoices for each capital equipment purchase for a period of at least five years. Capital equipment includes purchases of \$5,000 and above (per item purchased) and/or a lifespan of greater than a year.
- All counties who are part of a larger CRI must ensure their LHD and CRI work plans are complete by budget year-end.
