1	I would have liked more time to process the State Formula Survey results. Seeing them on the screen wasn't enough for me. I prefer to jot notes on data sheets, so presentation was not as effective for me. Cristi kept asking, "Does this surprise you?" That didn't really lead for discussion...or maybe she didn't really want any discussion. I did appreciate being asked as local HDs to give input to the regional position descriptions, but then we learned some were already posted for hire.	6/24/2021 3:19 PM
2	thankful for in person meeting	6/24/2021 12:03 PM
3	Great Day!	6/23/2021 10:43 AM
4	I left at noon. The second day was interactive and I enjoyed the information on the new regional positions.	6/22/2021 2:54 PM
5	I enjoyed the interactive brainstorming session a lot.	6/17/2021 3:24 PM
6	I really enjoyed everything.	6/17/2021 12:27 PM
7	Again, relevant content to my needs.	6/17/2021 9:46 AM

2	practical (acceptable) opportunities for regionalized services	6/25/2021 9:39 AM
3	Ideas: Keep HIPAA on top burner, hear from KAC representative and how public health is being perceived by commissions across the state, hear from legislators on what they perceive public health does.	6/24/2021 3:22 PM
4	Something with mental health	6/24/2021 11:45 AM

1	The chairs were uncomfortable	6/29/2021 8:56 AM
2	There continues to be a need to increase the number of LHD's attending. Are the members who could benefit the most the ones who are attending. Perhaps we should consider an outreach campaign next spring that focuses on increasing the number of first time attendee's	6/25/2021 9:39 AM
3	I would like a little time to gather as a region. KALHD regions are different than the PHEP and KDHE regions. Also, with new staffers it would have been good to build in some 'get to know you' activity- breaks lead to folks gathering with who they already know. Breaks were appreciated as well.	6/24/2021 3:22 PM
4	I really like the location i felt safe and was able to walk to supper.	6/24/2021 12:06 PM
5	Thank you Dennis for all your work! Great Work!	6/23/2021 10:44 AM
6	Dennis- Thank you for all you do!	6/22/2021 3:00 PM
7	The organization of the event was great. I enjoyed it.	6/17/2021 4:42 PM
8	What do you think of experimenting with small and large Health Dept trainings -- coming to the same KALHD event, but breaking up for some trainings/issues based on HD size. The needs of Depts are so different based on staff-size. May make it more beneficial for everyone.	6/17/2021 3:43 PM
9	I would have liked to have been able to recycle all the cans, bottles, plastic etc. that we used on both days. It was great to meet in person again.	6/17/2021 2:52 PM
10	A big thank you to Dennis and the Executive Committee!	6/17/2021 9:47 AM
