

## **Assistant Director Report January 18, 2022**

### **KIP Project Updates**

1. Listserv
  - Listserv is going really well, over 200 participants and counting
  - Great feedback from the survey; will be adding more resources to the weekly updates including a feature about vaccine preventable diseases
2. White Paper
  - In the process of writing a white paper detailing recommendations for LHDs on combating vaccine misinformation.
  - If you have not completed the survey from the listserv, you can do so here:  
<https://www.surveymonkey.com/r/YZ85Y3F>
  - Also meeting with Immunize Kansas Coalition to develop a social media start-up kit for LHDs. More information to come.
3. Internal Webpage
  - I am creating an internal, link only webpage with vaccine resources and a back-log of all listserv updates
  - This is an incentive to renew your membership as I will be sending it in March

### **Ad Hoc Committee**

1. First meeting was on January 11
2. Updates from meeting
