KIP Project Updates

- **Survey Results**
 - Overall, the survey results were really good. I will continue with the immunizations newsletter and make it more printer friendly.
 - I am also beginning research on a vaccine buying group. I will have more information soon.
- **Immunize Kansas Coalition Advocacy Day**
 - I attended the IKC advocacy day on February 8 on behalf of KALHD. Overall went very well.
- **Mid Year Meeting Immunization Session**
 - KALHD will continue to have an immunization-related session during the MYM in June.
 - Since it is close to the KDHE Immunization Conference, I will be either making it different or a continuation of something discussed there.
 - If you have ideas, please email me at shelby.ostrom@kalhd.org
- **Immunization Data User Group**
