

Interim Executive Director Report September 19, 2023

Assistant Director Activities

1. WSU Immunization Activities

Depending on the budget change request, I will begin work on planning some new immunization activities with the team at WSU. This includes more online resources, and a one-day immunization summit.

2. Learning Circle/Monthly Trainings

I've been communicating with various immunization providers and KDHE about hosting trainings on immunizations such as COVID-19, RSV, etc. This would be similar to the LHD calls that occur on Wednesday. Once the new ED is hired, I'll begin work on this.

3. Immunizations Listserv & Newsletter

The newsletter for September 2023 may be delayed due to ED projects.

4. COVID-19 Vaccines, RSV

Make sure to check out the immunizations listserv and newsletter for updates on both vaccines. Commercialization has not been officially announced, but should be coming soon.
