

## **Assistant Director Report – Annual Meeting December 7, 2023**

### **KIP Project Updates**

- **Kansas School Nurse Organization and Immunize Kansas Coalition Letter**
  - Created a letter with partners encouraging routine immunizations
  - Sent out the letter via the immunizations listserv
  - Hoping to have it picked up by state newspapers
- **Immunizations Summit**
  - KALHD will be hosting a pre-conference session for the 2024 immunizations conference
  - Anticipated dates are the last week of June 2024
  - This will be a pre-conference session focused only on LHD problems
  - First planning meeting was a success. Thank you to our design team for your help!
  - More information including registration details will come later next year.
- **Other Projects**
  - Budget change to work with WSU CPHI to do additional immunization work
  - New resources will be available on the Kansas Health Collaborative
  - Custom social media templates and resources will be available
- **Kansas Association of Counties Sub-Contract Projects**
  - KAC Conference immunization tradeshow
  - County Comment articles
  - Immunize Kansas Coalition educational materials
- **Year End Survey & Grant Extension**
  - We have been informed that our immunizations grant has been extended into 2025
  - Continuing to look at new projects and a new workplan for the extension.
  - Please fill out the year end immunizations survey that was sent out via the listserv and the newsletter.
